

CALL FOR APPLICATION FOR NR. 2 GRANTS FOR THREE-MONTHS INTERNSHIPS IN EUROPE

Project: VET to VET - Capacity Building in Western Balkans, nr. EAC-2020-0866

Funding body: European Commission

Promoter: PI High School "Danilo Kis" Budva

Hosting country: Italy (Alba)

Period: October – December 2022

Duration: 3 months

Deadline for applying: 10/06/2022

RECIPIENTS AND PARTICIPATION REQUIREMENTS

The call is aimed at graduates of vocational education and training courses in Public Institution High School "Danilo Kis" Budva in the following vocational sectors:

- Tourism (tourist technician)
- Chef (gastronome, pastry chef)
- Restaurant service technician (waiter)

PROJECT ACTIVITIES

Students selected for internship grants undertake to take an active part in all the activities described below.

Before departure

- Assessment test of English language or country of destination skills on the OLS online platform;
- Course in English or the target country language on the OLS online platform (at least 20 hours);
- Training module on interculturality;
- Pre-departure orientation activities;
- Pre-departure information meetings at school.

During the stay abroad

- Safety at work training in Apro Formazione
- Orientation activities during the first days of stay;
- Minimum 420 hours of unpaid internship in a company.

On return from mobility

- Completion of the Mobility Tool questionnaire;
- Second assessment test of the English language skills or target country skills acquired through the mobility on the OLS online platform;
- Moby Report: trainees describe in a video (e.g. using the free QUIK app) the following aspects of their experience abroad: learning the foreign language, cultural context, interpersonal relationships, internship in the company;
- Recognition of the internship period as part of the internship or work-school alternation hours envisaged in one's educational pathway, if the activity is part of the curricular activities of one's school;
- Certification of competences and issue of the following documents
 - Europass "Curriculum Vitae"
 - Europass Mobility certification
 - ECVET competence evaluation grids
- Any letters of reference and/or certificates issued by foreign companies.

ORGANISATIONAL ASPECTS

The project covers the following costs incurred by the promotes:

- Definition of the mobility contract and the Learning Agreement;
- Organisation of the departure;
- R/C civil liability and work accident insurance;
- Any additional travel and health insurance, which may be activated at the promoter's discretion;
- Round-trip travel;
- Accommodation;
- Food;
- Local transport;
- Monitoring, tutoring and evaluation by tutors.
